

# Barfield's New State-of-the-Art

## Model CT12A Cable Tensiometer

### Special New and Innovative Features!

- Digital readout
- Simple 3 button operation
- Long lasting rechargeable battery
- High Accuracy
- Single and multiple cable versions
- Ambient temperature reading
- Patent pending

### Cable Tensiometer Specifications

- Provides accurate and precise readings in Pounds over a wide range of cable sizes from 1/16" to 1/4" (US Std)
- Rugged ergonomic design
- Single cable size or rotating head, which covers complete range
- Operating temperatures range from 14°F (-10°C to 120°F (50°C)
- 4 digits LCD display with selectable backlight

# Cable Tensiometer Model CT12A

Model Number	Description	For Use on Cable Size	Range in Pounds	Accuracy (% of Full Scale)	Riser Position Used
102-03101	Single Cable Tensiometer for 1/16" Diameter	1/16"	25 - 300	1%	NA
102-03102	Single Cable Tensiometer for 3/32" Diameter	3/32"	25 - 400	1%	NA
102-03103	Single Cable Tensiometer for 1/8" Diameter	1/8"	25 - 600	1%	NA
102-03104	Single Cable Tensiometer for 5/32" Diameter	5/32"	25 - 700	1%	NA
102-03105	Single Cable Tensiometer for 3/16" Diameter	3/16"	50 - 500	1%	NA
102-03111	Single Cable Tensiometer for 3/16" Diameter	3/16"	50 - 800	1%	NA
102-03106	Single Cable Tensiometer for 7/32" Diameter	7/32"	50 - 900	1%	NA
102-03107	Single Cable Tensiometer for 1/4" Diameter	1/4"	50 - 1000	1%	NA
102-03110	High Accuracy General Multi-Cable Tensiometer (1-3)	1/16"	25 - 300	1%	1
		3/32"	25 - 400	1%	1
		1/8"	25 - 600	1%	2
		5/32"	25 - 700	1%	2
		3/16"	50 - 500	1%	3
102-03108	General Multi-Cable Tensiometer (1-4) Extended Range	1/16"	25 - 300	2%	1
		3/32"	25 - 400	2%	1
		1/8"	25 - 600	2%	2
		5/32"	25 - 700	2%	2
		3/16"	50 - 800	1%	3
		7/32"	50 - 900	1%	3
		1/4"	50 - 1000	1%	4
